

Bhavin Pandya - Co-Founder and CEO, Games24x7

Bhavin Pandya co-founded Games24x7 in 2006 and has spearheaded the company's operations and game development through its hyper-growth phase in its journey to becoming India's largest multi-game unicorn with a user base of over 100 million players.

Backed by marquee investors including Tiger Global, Raine Capital, and Malabar Investment Advisors, Games24x7 offers a variety of skill-based games including RummyCircle – India's largest online rummy game and My11Circle – India's second largest fantasy platform.

Bhavin plays a pivotal role in defining the strategy, building exceptional teams, and ensuring that the right culture is laid out and preserved. He holds a bachelor's degree in Electrical and Computer Engineering from Purdue University. He was enrolled in a fully funded Economics PhD program at New York University when he decided to start Games24x7.

His leadership has been critical in establishing a reputation for innovation, personalization of consumer experience and data science prowess for the company.

Bhavin firmly believes that the wellbeing of today's children will determine India's wellbeing and is committed to leaving a positive impact in this cause. He serves on the advisory board of Hemkunt Foundation, one of the foremost charitable organizations in India providing disaster relief, healthcare support, and skill development training for children in their endeavour to make them economically independent adults.
