

Kishor Jha | Founder & CEO | ERGOS The Grainbank

21+ years of experience across Rural Marketing, Supply Chain, Channel Sales, Retail Banking & Financial Services, with a family background in agriculture, master's in business management, took resolution to let's deposit some grain in the bank. Seeded the idea of Grainbank 12 years back to digitize farmers produce and enable them to access institutional finance at lowest cost and access mainstream market to sell its digitized produce at best price. Validated and scaled across three states, ready to replicate across geography and impact directly individual farmers and grow profitably.
