

Rajat Gandhi | Founder & CEO | Faircent

Bio: Rajat Gandhi, CEO of Faircent, leads India's largest P2P lending platform. With 25+ years expertise in online domains, he introduced online P2P lending in India. Under his guidance, Faircent became the leading NBFC-P2P platform. Rajat founded Faircent.com in 2013, advocating for tech-driven solutions and prudent regulations, making it India's first RBI- certified NBFC-P2P. Faircent promotes financial inclusion, offering affordable loans to SME/MSME sectors and modern investment opportunities.

Rajat, an MBA graduate, spearheaded the launch and development of various online platforms and communities, including ventures in e-commerce, classifieds, and digital advertising, for prominent organizations in the country. A passionate traveler, Rajat enjoys spending his leisure time with family and friends. His leadership drives Faircent's growth, focusing on innovation and financial empowerment.
