EVENT OVERVIEW

Startup Mahakumbh, a pioneering event, is set to unfold from March 18-20, 2024, at New Delhi's esteemed Bharat Mandapam and Pragati Maidan. This unique gathering marks an unprecedented collaboration and celebration of innovation. Led by ASSOCHAM, NASSCOM, Bootstrap Incubation & Advisory Foundation, TIE, and IVCA, the event is poised to position India as a global hub for innovation.

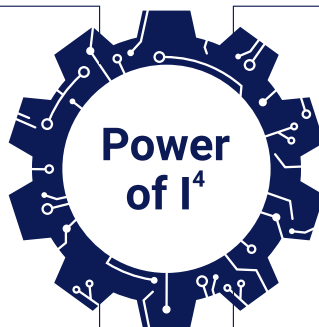

It will feature over 1000 promising startups from India and around the world, alongside notable participants like unicorn startups, international and domestic venture capitalists, corporates, and industry leaders. This event symbolizes a transformative journey in the world of startups, fostering significant global and Indian collaborations.

INTELLECTUAL CONVERGENCE

Startup Mahakumbh is a hub of thought leadership, featuring insightful keynotes, interactive dialogues, and expert-led masterclasses. It delves into the latest trends and challenges in the startup arena, offering valuable perspectives.

INNOVATIONS ABOUND

The event showcases a wide array of innovative products, technologies, and business models from startups across India. It aims to captivate attendees with breakthrough ideas that redefine traditional development paths.

INVESTMENTS FOR GROWTH

This platform connects startups with a spectrum of investors, including VCs, angels, and corporate entities. It's a pivotal event for mobilizing capital & fostering collaborations, enhancing India's entrepreneurial ecosystem.

INTERNATIONAL OUTREACH

Startup Mahakumbh serves as a vital platform for Indian startups to network with global peers, investors, and industry leaders, opening doors to cross-border partnerships and global market access.

EVENT FLOW

A PAVILION FOR EACH VERTICAL

At Startup Mahakumbh, there will be 10 distinct pavilions that will serve as the prominent hubs of innovation, showcasing the latest trends, technologies, and insights in their respective fields.
