Co- Founder and CEO - India & UAE, Rebel Foods

Ankush Grover, Co- Founder and CEO - India & UAE of Rebel Foods, holds a management degree from IIT, Mumbai. After a stint at a reputed consulting firm, he joined Rebel Foods, formerly known as Faasos, in 2012. Since then there has been no looking back.

Ankush spearheaded the expansion of Rebel Foods' North India operations, incubating several key projects, donning and juggling many hats with panache. Not only has Ankush borne witness to, but he has been a part of, more so a pillar of, one of the most transformational and disruptive phases of the organisation.

Ankush was the key driver of the group's automation efforts as the Chief Business Officer and he has been part of the change management team in a rapidly evolving organisation and ecosystem, having helped the brand transform and achieve impressive numbers in new and upcoming markets.

It is this strategic approach and goal-oriented thinking that gives him an edge and helps him successfully manage a variety of brands, simultaneously. Today Rebel Food's kitchen ecosystem, which is the backbone of the entire company's store operations, is a phenomenon thanks to Ankush, a big man with a big plan!
